

PRODUCT FEATURES:

- 1320mm (52")
- ABS polymer body & blades
- Power usage: 3W to 26W
- Airflow: 14,315 m³/hr
- 6 speed remote control (supplied)
- DC Wall Control adaptable (not included)

NEXT CREATION

Introducing the Next Creation, with the slim, modern design this 4 bladed beauty has all benefits of increased airflow and extreme energy efficiency of less than 26 watts on high speed.

White

With matt white polymer blades
(Product code: NC151)

Matt Black

With matt black polymer blades
(Product code: NC152)

PRODUCT FEATURES:

- 1320mm (52")
- 18W Dimmable CCT LED Light
- Colour temperatures: 3000K, 4000K & 6000K
- ABS polymer body & blades
- Power usage: 3W to 26W
- Airflow: 14,315 m³/hr
- 6 speed remote control only (supplied)
- DC Wall Control adaptable (not included)

NEXT CREATION with 18W CCT LED

The slimline seamless design of LED lighting in the Next Creation will not disappoint, encompassing all the latest features of Dimmable LED Colour Changing Technology (CCT). The modern design has increased airflow and extreme energy efficiency of less than 26 watts on high speed.

Matt White

With matt white polymer blades
(Product code: NCL155)

Matt Black

With matt black polymer blades
(Product code: NCL156)
